

# Bosch Conference System CCS 900 Ultra

## CCS-DL Delegate Unit with Long Microphone

- Compact, attractive delegate unit
- Patent-pending "Possible-To-Speak" indicator
- Microphone with flexible stem and light ring
- Built-in loudspeaker
- Two headphone sockets
- Built-in volume control for headphones

The CCS-DL delegate unit enables delegates to speak and listen to the proceedings via a loudspeaker or headphones. This stylish and ergonomically-designed unit includes a microphone with a red indicator ring which illuminates when the microphone is on. To prevent acoustic feedback, the built-in loudspeaker is muted when the microphone is on. Two 3.5 mm (0.14 in) stereo headphone sockets (wired for mono) allow two pairs of headphones to be connected so two delegates can simultaneously use the unit. The headphone volume level can be adjusted on the unit for maximum comfort. It is also possible to connect a tape recorder to one headphone socket, and use the other headphone socket to listen to the proceedings.

## Interconnections

- 2 m (78.7 in) long cable terminated with a moulded 7-pole circular connector for loop-through connection to delegate unit or CPSU
- 7-pole circular female socket for loop-through connection to delegate units
- Two 3.5 mm (0.14 in) stereo headphone sockets

## Controls and indicators

- Bi-color LED indicator above the microphone push button. Red for microphone on, white for Possible-To-Speak indicator
- Microphone with light-ring indicator which illuminates when the microphone is on
- Loudspeaker, automatically muted when microphone is on and/or headphones are connected
- Microphone on/off button
- 'Microphone on' indicator (red LED)
- Rotary volume control for adjusting headphone volume

## Technical Data

<b>Mounting</b>	table top (portable or fixed mounting)
<b>Dimensions (H x W x D)</b>	71 x 220 x 140 mm (2.8 x 8.66 x 5.51 in) (without microphone). Height is 132 mm (5.2 in) with microphone in horizontal position
<b>Length of microphone from mounting surface</b>	CCS-DS and CCS-CMS version 313 mm (12.3 in) CCS-DL and CCS-CML version 488 mm (19.2 in)
<b>Weight</b>	Approx. 1 kg (2.2 lb)
<b>Colour</b>	Charcoal (PH 10736)

Handy cable clamps ensure extra safe daisy-chained connections.

The genuine, Bosch-developed "Possible-To-Speak" indicator uses a bicolored LED to inform the delegate when the microphone is available to speak.
